Dear Sirs;

I am writing on behalf of the Board of Directors from the Golden Isles Yacht Club, 430 Golden Isles Dr., Hallandale Beach Florida to express our appreciation, satisfaction and delight with your personnel.

We contracted your company after speaking with William Pedersen and Michael Wilson. The condominium association officers were impressed with the professionalism and attitude professed by these two gentlemen. Their enthusiasm was contagious. They were very candid with us and displayed a trust in their product we had never experienced with any other company. We were sold just on the presentation itself; let alone dealing with your crew.

We signed the contract to have the work commence on January 13, 2014 through January 19, 2014. I will admit we were very leery due to the fact it was a very big undertaking. Your crew showed up on time with smiles on their faces. They were very helpful and were always willing to deal with all sorts of questions from the Board of Directors. They were committed to stay on schedule and they were always reassuring us, and keeping us updated on any unusual on goings.

The superintendent was James Kicklighter and his crew consisted of Evan Wegener, Christian Biene, Alex Matias, Loren Wilson, Danny Cal and John Burkett. I hope I didn't miss anyone and if I did please forgive me. You should be very proud of these young men. They worked hard and sometimes long days just to make sure they would keep their promise of staying on schedule. They were always smiling and their disposition spoke volumes about your company. We were all so impressed to get a glimpse of their character particularly now a days and in these times.

Needless to say, your crew beat the deadline by a day. We felt they needed to know how appreciative we were for meeting and exceeding their commitment to us so we treated them to a good old home cooked lunch. At times like this we should all remember that we should have faith in our fellow men.

Thank you and good luck in all your endeavors. We will spread the word on our pleasant experience with your company.

Sincerely,
President Paula A Friedman
Treasurer Gail Motyka
Secretary Myrna Lyons
